E-SPORTS COMPETITION GUIDELINES

MOBILE LEGENDS

Faculty in-charge: MR. OLIVER M. DIMALANTA
Contact Details: E-mail: oliver.m.dimalanta@isu.edu.ph
CP#: 09057765062

TOURNAMENT STRUCTURE:

- Tournament is open to all-male, or all-female, or mixed teams
- Elimination Round will be Single Elimination Best-of-3 games
- Semifinals will be Best-of-5 games.
- Finals will be Best-of-7 games.
- Test ping before the actual game (once only)

PLAYER REQUIREMENTS:

- Players must be available during tournament dates.
- Players must be aged 15 and above.
- Players must be currently enrolled in the current semester, 2nd Semester 2025-2026.
- Players should be enrolled under the ITE Courses or Computer Engineering.
- Players In-game Name and ML id listed player only are allowed to play

TEAM REQUIREMENTS:

- Only 1 team will represent the school
- A team must consist of the following members:
- 5 main players (required)
- 1 reserved player only(optional)
- 1 coach/player-coach/1 team captain
- Once nominated/registered regular/reserved players cannot be replaced throughout the event.

SCHEDULES / TIMING OF MATCHES:

- The tournament is an Online Tournament.

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

- Players will be advised of schedule and timing of matches thru their registered email address and on the Group chat on messenger.
- Strictly obey Time and Schedule of matches (maximum of 10mins late only) the schedule will be sent after all team entry are submitted (deadline of team registration is on_____)
- Only Tournament Director can alter schedule and timing of matches

GENERAL CONDUCT:

- Players are expected to conduct themselves and compete with the spirit of sportsmanship, maintaining a friendly and polite demeanor in activities involving other participants and public in general. (No trash talking in-game and after game)
- The organizer has the right to apply penalties, disqualify and dismiss any registered player from the tournament, at their discretion, at any stage of the tournament.
- Cheating doesn't need to be successful to qualify as a violation. Conspiring to cheat is already a violation and will lead to an automatic disqualification for all conspirators.
- Examples of cheating includes, but are not limited to:
 - Ghosting
 - Account Sharing
 - Piloting

OTHER DETAILED RULES & TECHNICAL ASPECTS:

- All participants will be advised of other rules or technical aspects of tournament prior to start of competitions
- Additional Rules and modification of rules is open for suggestion from the Team coach

LIBINNOVATE COMPETITION 2026

Faculty in-charge: Ruby A. Lumaban

Contact Details: E-mail: ruby.a.lumaban@isu.edu.ph

CP#: 09682466442

Overview of the Competition

The LIBINNOVATE COMPETITION 2026, hosted by Isabela State University, is designed for students and professionals in the library and information sciences field. The competition aims to encourage innovation and creative solutions in the library sector, allowing participants to showcase their skills, knowledge, and ideas. It provides a platform for individuals to demonstrate their expertise, collaborate with peers, and contribute to the advancement of library practices. Detailed mechanics and guidelines for participation is provided to ensure a fair and engaging competition for all involved.

Mechanics and Guidelines

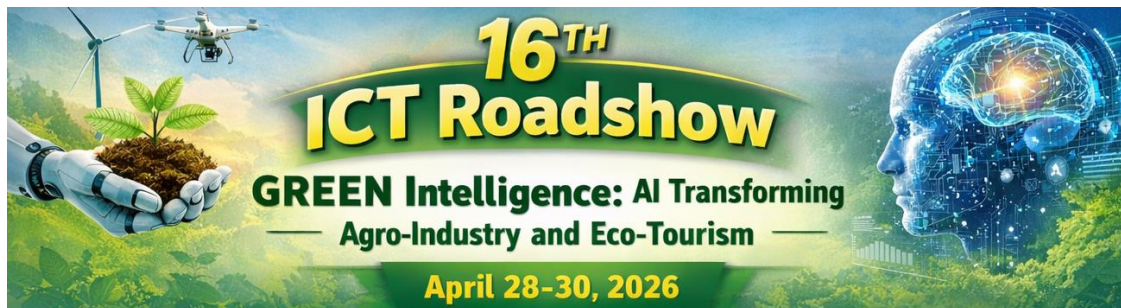

CATEGORY A - Archival Innovation Competition

Description: This category challenges participants to innovate in the field of archival science. Projects may focus on new methods for preserving, cataloging, and accessing archival materials, particularly those that integrate digital technologies to enhance archival management and public accessibility.

JUDGING CRITERIA	PERCENTAGE
Innovation. Originality and effectiveness in addressing/solving challenges.	25%
Technical Implementation Quality and sophistication of the technical solution, including any software development or integration of digital tools.	20%
Usability. Ease of use and accessibility of the archival system for various user groups.	20%
Impact. Potential impact on preserving cultural heritage and improving access to historical records.	20%
Presentation. Clarity and professionalism of the project presentation and documentation.	15%
TOTAL	100%

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

Submission Requirements/Project Deliverables:

- ✓ **Project Proposal.** Detailed document describing the problem, proposed innovation, methodology, and expected outcomes.
- ✓ **Prototype or Demo.** If applicable, a functional prototype or video demonstration of the archival system.
- ✓ **Technical Documentation.** Detailed descriptions of technologies used, architecture diagrams, and implementation details.
- ✓ **User Guide.** Instructions on how to use the system, including screenshots or user interface designs.

CATEGORY B - Book and Media Curation Contest

Description: Participants are tasked with creating a curated collection of books and other media that addresses a specific theme or community need. This could include thematic collections for public libraries, school libraries, or digital collections.

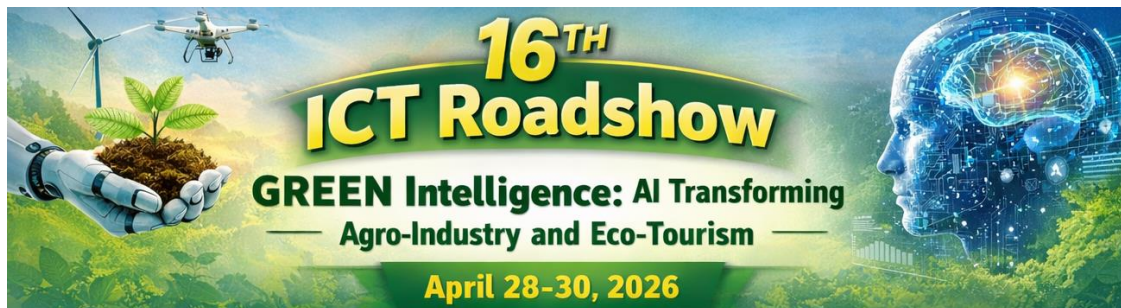

JUDGING CRITERIA	PERCENTAGE
Relevance – Alignment of the curated collection with the chosen theme or community need.	20%
Creativity – Originality and creativity in the selection and thematic grouping of materials.	25%
Resourcefulness – Ability to utilize available resources effectively to create a comprehensive collection.	20%
Impact – The potential impact of the collection on target audiences or communities.	20%
Presentation – The aesthetic and functional presentation of the collection, including any accompanying materials or displays.	15%
TOTAL	100%

Submission Requirements/Project Deliverables:

- ✓ **Curation Portfolio.** A detailed description of the curated collection, including the rationale behind item selection and thematic organization.
- ✓ **Visual Materials.** Photographs, digital images, or a virtual tour of the physical or digital collection setup.
- ✓ **Promotional Plan.** A plan for promoting the collection, including any marketing materials like posters or social media posts.

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

- ✓ **Impact Statement.** A written assessment of how the collection meets the needs of the intended audience and its potential community impact.

CATEGORY C - Data Visualization Contest

Description: This category invites participants to use data from library systems to create clear and engaging visualizations. These visualizations could focus on topics like user demographics, lending statistics, digital vs. physical borrowing trends, or other relevant library data.

JUDGING CRITERIA	PERCENTAGE
Clarity. Effectiveness in communicating the data through visual means.	25%
Innovation. Creativity and originality of the visualization approach.	20%
Technical Skill. Competence in using data visualization tools and techniques.	20%
Impact. Potential to influence decision-making or improve understanding of library metrics.	15%
Relevance. The significance and utility of the visualization to library stakeholders.	20%
TOTAL	100%

Submission Requirements/Project Deliverables:

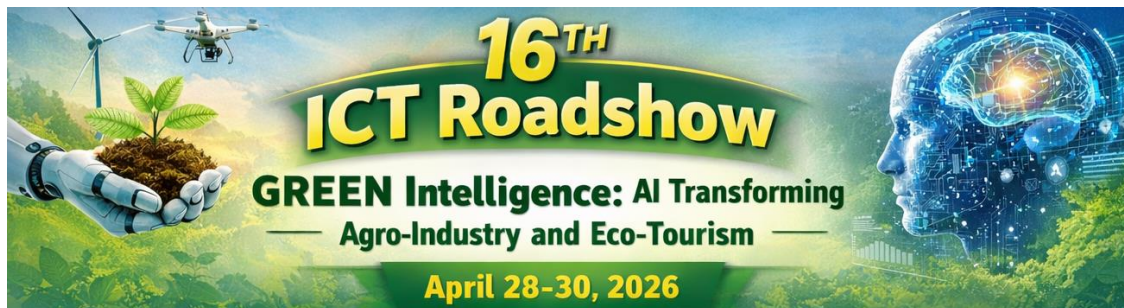

- ✓ **Visualization Files.** The actual data visualizations created, which can be submitted in suitable digital formats.
- ✓ **Data Source Description.** Documentation of the data sources used, including any data cleaning or processing steps.
- ✓ **Technical Write-up.** Explanation of the tools and techniques used to create the visualizations.
- ✓ **Interpretive Guide.** A guide explaining how to interpret the visualizations, highlighting key insights or patterns.

GENERAL REQUIREMENTS FOR ALL CATEGORIES

- **Eligibility Documentation:** Proof of enrollment or affiliation with the BLIS program or related disciplines at ISU.

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

- **Entry Form:** A completed official entry form, including participant details, project title, and category.
- **Project Abstract:** A brief summary (250-300 words) describing the project's purpose, approach, and expected impact.

Common Submission Details

- **Formatting.** All written documents must be submitted in PDF format, with a clear structure, following the provided formatting guidelines.
- **File Naming Convention.** Files should be named clearly and logically (e.g., Team Name. Category, Project Title).
- **Deadline.** All entries must be submitted on _____. Late submissions will not be accepted.

Presentation Requirements

- **Presentation Slides.** A PowerPoint or similar presentation file outlining the key aspects of the project.
- **Presentation Video.** A video (no longer than 10 minutes) presenting the project. This should be a concise pitch that covers the project's highlights.

GUIDELINES FOR DATA ANALYTICS CHALLENGE

Contact Details:

Faculty in-charge: BENEDICK YAMAT / DAN JOSHUA SAYO

E-mail: benedick.v.yamat@isu.edu.ph / danjoshua.d.sayo@isu.edu.ph

CP #:

Objective

The Data Analytics Challenge aims to test participants' ability to analyze datasets, derive meaningful insights, and present data-driven solutions to real-world problems.

Challenge Structure

- The challenge will be conducted over 5 hours.
- Participants will be provided with a dataset and a problem statement at the start of the challenge.
- The task is to clean, analyze, and visualize the data to derive insights and recommendations.

Allowed Tools and Technologies

Participants may use any analytics tools, including but not limited to:

- Programming Languages: Python, R
- Visualization Platforms: Tableau, Power BI, Matplotlib, Seaborn

Submission Requirements

Participants must submit the following:

- Code or Notebook: A Jupyter Notebook (Python), R script, or any other structured code file.
- Data Insights Report: A PDF or PowerPoint summarizing key findings, methodology, and conclusions.
- Visualizations: Well-designed charts, graphs, or dashboards supporting the analysis.

Rules and Regulations

- Each team must consist of three (3) members
- All work must be original; plagiarism and unauthorized use of external solutions are prohibited.
- Teams must submit their work before the deadline; late submissions will not be considered.
- Collaboration between teams is not allowed, unless explicitly permitted.
- The organizing team reserves the right to disqualify any participant/team violating the rules.
- Use of internet shall be strictly prohibited.

Digital Poster Making

Faculty in-charge: MR. WENDELL M. CASTILLO

E-mail: wendell.m.castillo@isu.edu.ph

CP#: 0906 448 4258

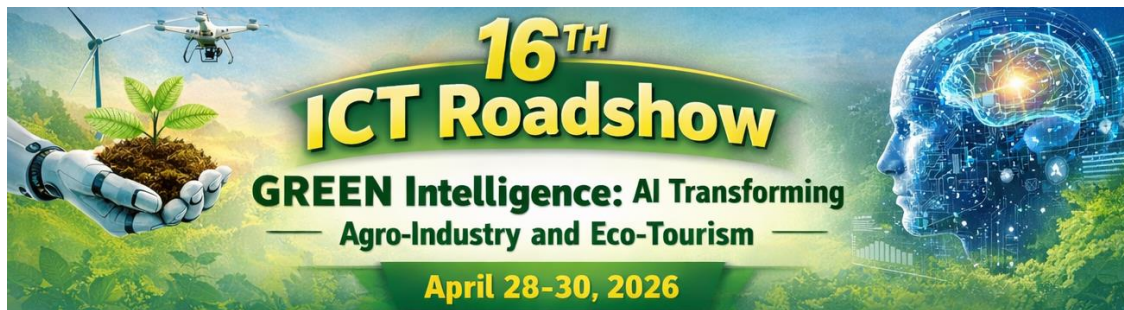

Please read the General Guidelines.

1. Please read the General Guidelines.
2. Only one (1) entry per SUC.
3. Competition shall be made via online.
4. The poster shall be based on the theme provided.
5. The participant of the competing SUC shall use his/her laptop during the competition.
6. Size: 11" x 17"
7. **TWO** (2) hours will be allowed for the contestants to finish their artworks.
8. Record the entire process of making a digital poster.
9. After competition hour, a jpeg file as output shall be submitted to the Host agency.
10. Competition outputs automatically become property of the Host agency and have the right to post or display. Proper credits shall be given to the owner after judging.
11. Placing names, signatures, initials or any form of mark to identify the creator of the artwork shall not be allowed. Doing so will automatically disqualify the entry.
12. Submit entry with the following details via gdrive:

 - a. Entry #:
 - b. Name of Artist:
 - c. Title:

CRITERIA FOR JUDGING	POINTS
QUALITY Mastery and utilization of media/tools, style and techniques	20%
COMPOSITION Organization of visual space, colors, details, texture, etc.	30%
CREATIVITY Originality of depicted theme - 30 Visual storytelling or impression - 20	50%
TOTAL	100%

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

Online Quiz Bowl Category – Official Guidelines

Faculty in-charge: ENGR. FREDERICK VON IBASCO

Contact Details: E-mail: von.a.ibasco@isu.gov.ph

CP#: 0935 758 4628

Quiz Bowl Criteria

1. Objectives

- To assess students' knowledge in various areas of Information Technology
- To promote critical thinking, teamwork, and quick decision-making
- To encourage interest in emerging IT trends and concepts

2. Coverage of Topics

Questions will come from the following areas:

- Computer Fundamentals
- Networking & Internet Technologies
- Programming Concepts
- Cybersecurity & Data Privacy
- Emerging Technologies (AI, Cloud Computing, IoT, etc.)
- Hardware & Software
- General IT Awareness

3. Team Composition

- Each team must consist of 3 members
- One member will serve as the team captain
- Teams must be officially registered before the event

4. Quiz Format

The quiz bowl will consist of the following:

- Multiple-choice questions (each coach must submit 10 questions)
- Each correct answer: 1 point
- No negative marking

5. Time Rules

- Each question must be answered within 10–15 seconds

6. Scoring System

- Scores will be accumulated
- The team with the highest total score wins
- In case of a tie, a tie-breaker question will be given

7. Tie-Breaker Mechanics

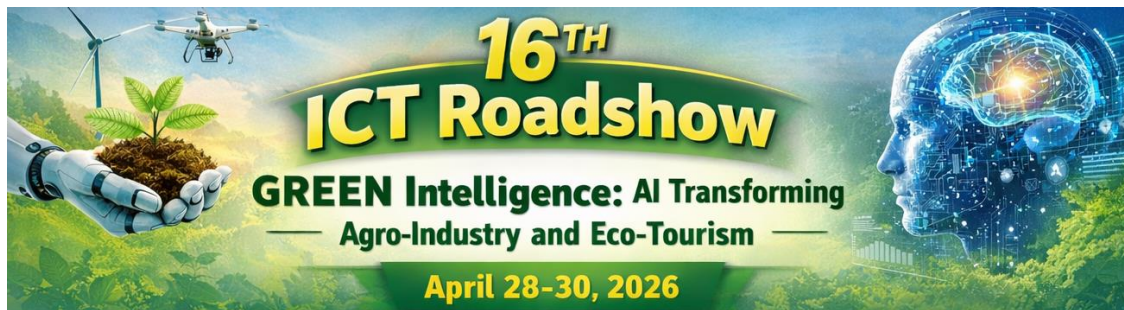

- Sudden-death format
- First correct answer wins
- Wrong answer results in opportunity for other teams

8. Rules and Regulations

- No use of mobile phones, notes, or electronic devices
- Teams must maintain silence and discipline
- Only the team captain may answer unless stated otherwise
- Answers once given are final and cannot be changed

Mobile Number: 0917 538 4845 / 0975 264 9067 | e-mail: ccsict@isu.edu.ph | website: www.isu.edu.ph

- Judges' decisions are final and non-negotiable

9. Judges and Quizmaster

- A panel of 2–3 judges will validate answers
- A quizmaster will facilitate the event
- Judges may provide clarifications if needed

10. Awards

- 🏆 Champion
- 🥈 1st Runner-Up
- 🥉 2nd Runner-Up
- Special Awards (e.g., Best Teamwork, Fastest Responder)

11. Additional Notes

- Questions may include visuals, code snippets, or scenarios
- Difficulty level will increase progressively
- Participants are expected to display sportsmanship and professionalism

2026 ICT ROADSHOW COMPETITION GENERAL GUIDELINES

Culture & the Arts Competition

Faculty in-charge: MS. MARLYN M. BERMOZA

Contact Details: E-mail: marlyn.m.bermoza@isu.edu.ph

CP#: 0975 264 9067

1. Open to all enrolled undergraduate students of the competing SUC.
2. Contest activities category is presented with guidelines, contest rules and regulations, criteria for judging and contest proceedings. The contest Faculty In-Charge shall meet all coaches and judges prior to the contest.
3. Registration shall be done via Google Form. Only registered participants are allowed to compete.
4. Copy of Student ID and Assessment form shall be submitted via Google Form for validation.
5. Any form of mark in the costumes or background of a scene to identify the competing SUC shall not be allowed. Doing so will automatically disqualify the entry.
6. Winners shall be declared/announced during the closing program. The winners shall receive a Certificate for Champion, 1st Place and 2nd Place. Non-winners will also receive Certificate of Participation. Coaches shall receive certificate of recognition provided that they are present during the competition.
7. In addition, any violation from the competition guidelines will be subjected to disqualification.
8. Judge's decision is final.

HIPHOP DANCE Guidelines

Faculty in-charge: MS. MARLYN M. BERMOZA

Contact Details: E-mail: marlyn.m.bermoza@isu.edu.ph

CP#: 09752649067

Registration Link:

1. Please read the General Guidelines.
2. The entry shall be video recorded and submitted on **April 28, 2026** until 6 o'clock in the evening via GDrive link shared or e-mailed to the faculty-in-charge.
3. Groups are permitted to mix their choice of music (Original Filipino Music).
4. The Routine must be performed, in its entirety to the music selected, prepared and submitted by the group.
5. The contest piece must be three (3) minutes but not more than five (5) minutes.
6. `
7. Groups should include in their performance a broad selection of street dance styles (locking, popping, b-boying/bgirling (breaking), watching/punking, vogueing, house dance, party dances or club –popular or trendy dances- hip hop dance/choreography, krumping, steeping/gumboots, dancehall) without excessive use of the same move or pattern. A varied range of styles should be shown in the choreography of arm, leg and body movement. No body drop is allowed and all lifting should be supported.
8. Attire may include accessories such hats, caps, gloves, scarves, jewelries, etc. Removing pieces of clothing during the performance is allowed provided it is not offensive or out of character. Appropriate clothing should be observed in the competition.
9. Any move where the competitors' weight is solely on the neck/ head i.e. head spins, head stands, tumbling and tossing, etc. is not allowed.
10. Lifting is allowed up to the second level with support.
11. Music should not contain obscene lyrics or words.
12. Performers should not wear any identifying marks of their competing SUC.
13. A violation of any of the ground rules will be subjected to disqualification.
14. Deliberation of the members of the board of judges will be done prior to the announcement of winners.
15. Decision of the board of judges is final and irrevocable.

IoT Design Innovation Challenge

IoT Design Innovation Challenge (Online Presentation)

April 29, 2026

Research Presentation Guidelines

16th ICT Roadshow 2026

Theme: “*GREEN Intelligence: AI Transforming Agro-Industry and Eco-Tourism*”

Facilitator: Dr. Jesusimo L. Dioses Jr. and Dr. Edward Panganiban

Contact No.: 09055283613

email: jesusimo.diosesjr@isu.edu.ph

1. Objective of the Challenge

The IoT Design Innovation Challenge aims to:

- Encourage students and researchers to develop **innovative IoT-based solutions**.
- Promote the integration of **Artificial Intelligence (AI)** in sustainable practices.
- Address real-world problems in **agro-industry and eco-tourism**.
- Support environmentally friendly and data-driven technologies.

2. Eligibility

- Open to **college students**
- Participants may join as a **team (maximum of 4 members, adviser included)**.
- Each team must have **one registered adviser/mentor**.

3. Scope of Research Projects

Projects must align with the theme and may include:

- Smart agriculture systems (e.g., precision farming, irrigation automation)
- IoT-based environmental monitoring (soil, weather, water quality)

- AI-powered eco-tourism management systems
- Waste management and sustainability solutions
- Renewable energy integration using IoT
- Smart livestock and fisheries monitoring

4. Research Presentation Format

A. Presentation Mode

- Online Presentation with PowerPoint (PPT)
- Optional: Prototype demonstration (if available)

B. Time Allotment

- **Presentation:** 10–15 minutes
- **Question & Answer:** 5 minutes
- **Total:** 15–20 minutes per group

C. Presentation Content

Presenters must include:

1. Title and Introduction
2. Background of the study
3. Objectives
4. Methodology / System Design
5. Results / Expected Output
